

Learning Commons Mission Statement & Values

Mission Statement:

In keeping with DCCC's mission statement, the Learning Commons serves as an innovative learning and testing resource which provides professional academic assistance that promotes retention and success by challenging and empowering students to maximize their academic potential.

The Learning Commons Testing Center follows National College Testing Association (NCTA) recommendations on testing standards and guidelines.

Values:

The learning Commons inspires students at all academic level to:

- Use available resources
- Learn collaboratively
- Develop and achieve their academic goals
- Embrace and use technology effectively
- Develop study skills and test taking strategies
